## **EXHIBIT 1**

DOCKET NO. E-10345A-98-0473  
DOCKET NO. E-10345A-97-0773  
DOCKET NO. RE-00000C-94-0165

**NEV Amendment No. 1**

The unbundled direct access tariffs included in Attachment 1, Exhibit A of the Proposed Order shall be amended as follows:

A. The tariffs will be appropriately adjusted to reflect the shopping credits proposed by Staff as detailed in the following table:

**Staff's Proposed Shopping Credits (cents per kwh)**

	1999	2000	2001	2002	2003	2004
Residential	4.6	4.6	4.7	4.7	4.8	4.8
General Service	4.2	4.2	4.3	4.3	4.4	4.4
Extra-Large GS	3.4	3.4	3.5	3.5	3.6	3.6

B. The Shopping Credits shall be offered as direct credits off the customer's standard offer tariff, expressed in cents per kwh, rather than the residual method contained in the Order, which can vary greatly from customer to customer.

C. If part B of this amendment is not adopted, then the CTC for the General Service tariff shall be calculated for two subgroups of General Service customers, rather than the one average CTC for the entire General Service class proposed in the Settlement. The two subgroups are: (1) customers with demand of 0 to 500 kw and (2) customers with demand of 501 kw to 3,000 kw. The CTC adjustments shall result in an average shopping credit for each subgroup consistent with the recommended level for the General Service class proposed in Part A of this amendment.

D. The increased credits will be financed by adjusting the collection period for CTC.

E. APS will make the appropriate adjustments contained in Parts A through D. and submit the appropriate changes in the Settlement to Staff for approval within 15 days of the final Decision in this matter.
